

E.S. ADVENT CALENDAR EDITION 7

24 x Strauss Christmas in the box!

The 7th edition of our legendary advent calendar – and it's still as exciting as ever. On the contrary: Once again this year, you'll find practical tools behind every door that will make any tradesperson's heart skip a beat. No matter if you're a newcomer, a passionate DIYer or a true pro: The calendar is packed with tools and accessories that are guaranteed to upgrade any toolbox. Curious about what's inside? There's a brand new, super-compact toolbox, a powerful light in our unique Worker design, clever pocket-sized helpers and much more to discover day after day.

If you simply can't wait, the data sheet offers an early sneak peek behind the doors - but shhh, please keep it to yourself!
