

E.S. ADVENT CALENDAR EDITION 8

UNPACK, SORT, GET TO WORK

55-piece trade advent calendar – including 2 super-compact storage boxes!

We're ramping up the excitement for Christmas: With the new e.s. Advent calendar, every day during Advent becomes a delightful surprise for trade workers. And here's what's inside: 24 doors containing 55 items, including a versatile range of tools, accessories and practical everyday aids that are guaranteed to instantly enhance any workshop – whether you're a professional, an ambitious DIY enthusiast or a complete beginner. Very practical: The calendar consists of two super-compact storage boxes for small items, tools and the like, in which all the contents of the doors can be neatly stowed away – with a clever connection to the flexible Straussbox system.

Perfect as a gift or to get yourself in the festive spirit before Christmas: The e.s. Advent calendar edition 8 is a must-have for all doers and go-getters.

ONLY WHILE STOCKS LAST!

STRAUSSBOX X-SMALL

**MADE
IN
GERMANY**

STRAUSSbox x-small

- Can be combined with all STRAUSSboxes
- A super-compact multi-purpose box in the smallest size yet, ideal for storing tools and small parts
- External integrated T-slots make it easy to add a range of accessories
- The lid provides a flat surface for even easier access to and storage of small parts
- Optimal protection for your accessories against dirt and moisture

STRAUSSbox x-small, transparent

- 2 adjustable dividers guarantee maximum flexibility and organisation inside the box thanks to integrated T-slots
- You can see the contents at a glance thanks to the superior, transparent ABS

- Several STRAUSSbox x-small units can be easily linked together, ensuring easy transport as a single unit
- Inside dimensions (WxDxH): approx. 18.6 x 11.1 x 3.8 cm
external dimensions (WxDxH): approx. 19.9 x 11.5 x 6.5 cm

STRAUSSbox x-small, black

- Built-in foam insert
- Integrated fold-out bit holder in the lid for 18 precision bits and 15 bits, 6,3 mm
- High-quality and extremely shatterproof ABS

Easy to connect and securely fastened thanks to the 'Guide & Locking mechanism'

DID YOU KNOW?

All STRAUSSboxes can be combined with each other easily!
